PARTNERING WITH THE ARIA SCHOOL BILLING TEAM

Billing Medicaid can seem daunting. Instead of going it alone, consider partnering with the **ARIA School Billing** team and let us take the stress out of the process. And, when used in combination with our innovative EHR platform designed specifically for schools — **CGM MediEd** — you're sure to find that compiling school-based health data has never been easier.

Our team will work side-by-side with you through every step of the process. Don't miss out on securing all available funds. If your school isn't already billing Medicaid, then you're missing out on valuable revenue.
